

EKO

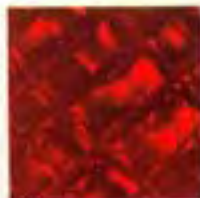

THE NEWPORT 6 Drum Outfit

Truly a professional outfit and a master work of construction. Tom Toms and bass drums have 9-ply wood shells and the snare drums are 6-ply. All shells are covered with extra thick, high grade celluloid and hand polished to a sparkling lustre. Shell interiors are coated with a special wood sealer and preservative. Special alloys make the hardware of this outfit last longer and permit greater more positive tension. All hardware triple chromed.

Newport 6 consists of:

Snare drum	5" x 14"	Tom Tom	9" x 13"
Bass drum	14" x 22"	Floor Tom Tom	16" x 16"
Shell mount Tom Tom Holder . High Hat Pedal Stand. Flat Base Snare Drum Stand. Floor Stand Cymbal Holder. Shell Mount Cymbal Holder. Dual tension Hi-speed Pedal. Disappearing spurs. Hardwood EKO sticks. Cymbals not included.
