# THE ANNIVERSARY IS OURS . . .

A Personal Message from Fred. Gretsch, Jr., President,  
The Fred Gretsch Mfg. Co.

Dear Reader:

This year we are celebrating our 75th Anniversary.

Since our very beginning, the Gretsch Company has been making drum industry news with its many "firsts" . . . first small size bass drum (Dave Tough model) for small group work . . . first Disappearing drum spur . . . and so many more "Firsts" still in use and still flatteringly copied, it would take a page to list them.

Today's Gretsch drums have 75 years of manufacturing experience behind them. In tone, looks and performance, Gretsch's continuing leadership in the drum world is proved time and time again by the steadily growing number of top professionals who call them "Finest drums I ever owned!"

Cordially,

A handwritten signature in cursive script that reads "Fred Gretsch Jr." The signature is written in dark ink and is positioned below the typed name.

## THE CELEBRATION IS YOURS!

. . . WHEN YOU FIND YOURSELF AND YOUR GRETSCHE DRUMS  
COMMANDING THE SPOTLIGHT, ON THE BANDSTAND, ON PARADE —  
WHEREVER YOU PLAY

You too will call Gretsch drums "Finest I ever owned!" once you —

**HEAR** "that Great Gretsch Sound," a term drummers have been using for years to describe the unmistakable tone quality of Gretsch drums.

**SEE** the streamlined, modern look for Gretsch drums . . . the beautiful Gretsch finishes—pearl, nitron, special Gretsch sparkles — 18 DIFFERENT, KNOCK-OUT COMBINATIONS TO CHOOSE FROM including the new anniversary "Diamond Sparkle". And, on every drum, GLEAMING, CUSTOM CHROME-PLATING THAT LASTS FOR YEARS—  
*at no added cost!*

**PLAY** Gretsch drums and check out the GRETSCHE FIRSTS that add up to top performance:

**BIRDLAND SPOTLIGHTS GRETSCHE DRUMS and the POLL-WINNING DRUM STARS WHO PLAY THEM**

When the jazz world's Big Men on Drums come to New York, they just naturally head for Birdland, the Jazz Corner of the World.

Says Birdland manager, Oscar Goodstein, "since most of the drummers playing the club use Gretsch drums anyway, we keep a Gretsch outfit on hand at all times."

Just as famous as this New York jazz mecca are the Gretsch drummers who play there. Gretsch men have been winning the annual DOWN BEAT Critic and Popularity Polls since the very first one—more than 20 years ago! Such poll-winning jazz greats as Louie Bellson, Art Blakey, Kenny Clarke, Chico Hamilton, Jo Jones, Mel Lewis, Sonny Payne, Charlie Persip, Max Roach, Art Taylor, (listed alphabetically) are "regulars" in the Birdland spotlight.

Many of the special Gretsch professional accessories and drum innovations you see in these pages were designed at the suggestion of Gretsch's jazz headliners. We're proud of the outstanding contributions these fine drummers have made to modern drumming.

**The Metal Parts of all GRETSCH BROADCASTER Drums are finished in polished non-tarnishing CHROME PLATING at no extra charge to you.**

The long-lasting brilliance of **GRETSCH-CHROME PLATING** pays off in extra dividends in the case of Drum Corps equipment. Adverse weather conditions—dust, fog, rain or snow—don't feaze it at all. If it momentarily dims, a quick rub with a damp cloth restores its brightness—*instantly!*

For those corps which still prefer the conventional wood counter hoops because of their lighter weight and the greater tensioning scope, we offer this fine "PARADE KING" series. They are built to full BROADCASTER specifications in all the beautiful finishes listed here (see Left) including brilliant tarnish-proof CHROME PLATED metal parts at no extra cost. Prices include tax.

# GRETSCH BROADCASTER DRUMS

**FOR YOUR MARCHING BAND OR DRUM CORPS  
PAY BIG DIVIDENDS IN  
GREATER BEAUTY, LONGER LIFE, FINER TONE**

**W**hen you pick the drums for your marching band or drum corps, you know in advance that they're going to lead a hard life. You expect them to look well, play well, and stand up faithfully under all conditions. Indoors or out, in fair weather or foul, they've got to deliver!

So, as you read the specifications of GRETSCH BROADCASTER DRUMS for field service you'll find there, we think, concrete assurance that these are the drums to meet your demands and expectations 100%.

*For Flashing Beauty* you choose from a wealth of new and standard colors in Gretsch-Pearls and Gretsch Sparkles. And in the new Gretsch Nitrons, you can have your school or corps colors faithfully reproduced in this tough, smoothly polished, long lasting plastic.

Or order them in hand polished mahogany or lacquer colors (solid or 'tritone'). We match your color samples exactly.

Gleaming chrome plating on the metal parts (you get it at no extra cost on all Gretsch drums) gives additional flash and lasting service. Dust and dampness can't more than momentarily dim the beauty of Gretsch chrome plating. A quick rub with a damp cloth restores the polish instantly.

*For Longer Life*, don't settle for less than

*V.F.W. National Champion Drum Quartet, Post No. 1462, Wormleysburg, Pa. Instructor, Alfred C. Moffatt—Drums by Gretsch*

GRETSCH-EXCLUSIVE moulded ply-wood shells and hoops. There's nothing to match them for service. *And we guarantee them to hold their perfect round for the life of the drum!* As a further protection against adverse weather conditions, the inside surfaces of GRETSCH BROADCASTER shells are heavily finished with special moisture-resistant metallic lacquer.

GRETSCH streamlined tension casings combine beauty with efficiency. They are self-seating, self-aligning, and strip-proof.

For the modern effects and tom tom routines that play so important a part in present day field drumming, GRETSCH parade snare drums all come equipped with throw-off snare strainers.

Important as these construction details are in terms of looks and service, one feature of GRETSCH BROADCASTER DRUMS outweighs all the rest. It's—

## 'THAT GREAT GRETSCH SOUND'

—that unmistakable, matchless tone that instantly identifies GRETSCH drums to so many band directors and drummers.

In the final analysis of drum quality, *tone* must come first. And GRETSCH BROADCASTERS have it to a unique degree. Your own ears will confirm *that* statement.
