NEW WAYS TO IMPROVE YOUR LOOKS.

Classic-Coat finishes: Glossy ways to show your true colors.

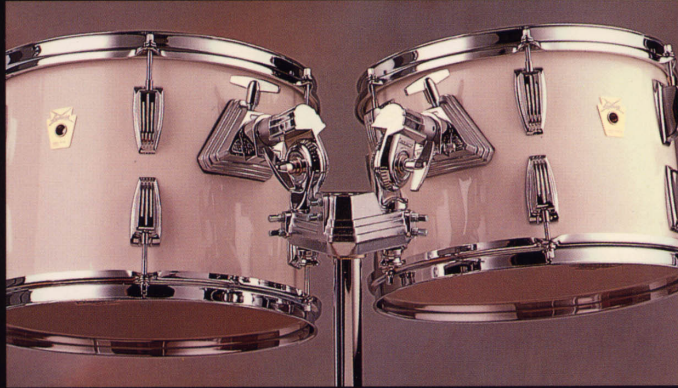

The secret behind Classic-Coat finishes is the special paint formula – a unique combination of rich, solid color and durable, high-gloss polyurethane. This combination is baked on to produce the most vibrant versions of red, black, and white that ever hit a kit.

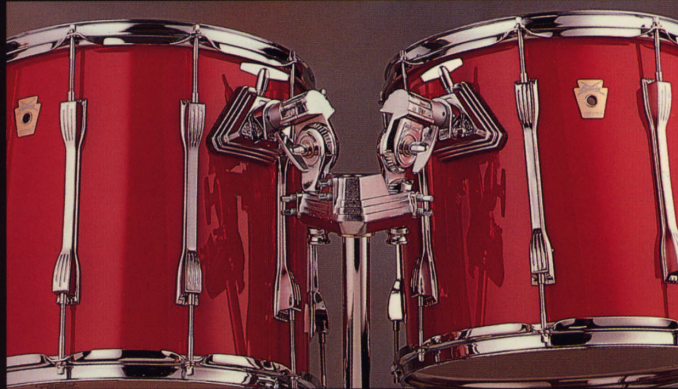

Outfits in Classic-Coat finishes include counter hoops that match the shell.

Classic Shadow finishes: Beauty that's more than skin deep.

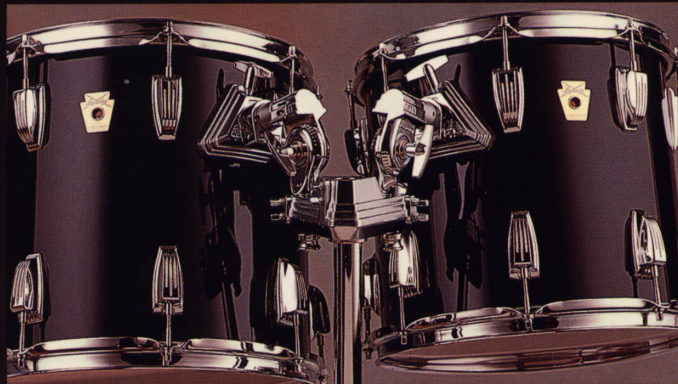

This exclusive Ludwig finishing process doesn't just put color on the drum, it puts color *in* the drum – each drum shell's hard maple exterior ply is dyed all the way through. Ludwig's unique dye-impregnating technique also reveals the natural beauty of the maple grain. For extra shine and durability, a final coat of clear high-gloss polyurethane is baked on.
