## PRESTIGE SESSION ELITE

The most aurally comprehensive professional drum set offered by Pearl is the Prestige Session Elite. The series has been engineered as a plausible alternative to the total birch or total maple sound. Prestige Session Elite shells are manufactured with a seven ply blend of birch and mahogany. This composition and ply make up resonates in such a manner as to draw out the best attributes of both woods. Prestige Session Elite drums produce the same pronounced upper and lower end frequencies present in the 100% birch Prestige Studio. Additionally, the series has specific tonal colorings due to its' mahogany plys reminiscent of the 100% maple Prestige Custom. The balanced tonality of Prestige Session Elite offers the serious player a drum with unique character and individuality not found in any other series.

## FINISHES

Immediately noticeable are Prestige Session Elite's beautiful lacquer finishes and high tension style lug casings. Four highly polished lacquer finishes are available to this series. One, Pacific Blue, can be found in no other professional line offered by Pearl.

## STANDARD FEATURES

All Pearl Prestige Session Elite drum sets feature the multi-positionable TH-95 tom holder, the LB-30 hinging floor tom leg bracket and fully telescopic bass drum spurs. Pre-packaged drum sets feature Pearl's 850W Series hardware, the famous P-880 chain drive bass drum pedal, and Pearl's professional SX-614D steel shelled snare drum.

**TH-95**

Pearl's TH-95 tom holder features an internal brake mechanism, 360° horizontal rotation within the bass drum mount, and over 145° rotation vertically, affording complete control over tom positioning.

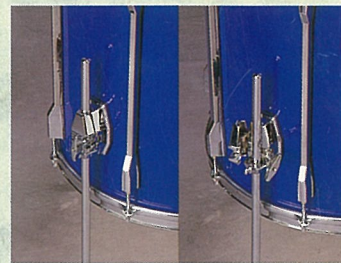

**HIGH TENSION STYLE LUG**

Prestige Session Elites' beautifully chrome plated High Tension style lug casings offer the finest in modern drum aesthetics and the utmost in professional tuning stability.

**SP-30**

Pearl's SP-30 bass drum spur is fully telescopic and offers the option to quickly convert from rubber tipped to steel spike feet.

**LB-30**

The LB-30 hinging floor tom leg bracket uses a clamp style tensioning system with memory lock for the ultimate in leg stability.

**SX-614D SNARE DRUM**

Pearl's SX-614D professional series chrome plated steel shell snare drum provides excellent projection, maximum attack, and outstanding tonal properties throughout its entire tunable range. This 6½" x 14" professional snare drum features 10 high tension lug casings, our super strong 1.6mm steel hoops and the sensitive S-011W snare strainer.

**850W SERIES HARDWARE**

Pearl's 850W Series hardware features uni-lock system cymbal tilters, double braced wide stance tripod legs and redesigned die cast collars with nylon bushing inserts at all pipe joints. Stock with all pre-packaged Prestige Session Elite drum sets are the B-850W boom stand, C-850W straight cymbal stand, S-850W snare stand, the P-880 chain drive bass drum pedal and the H-850WN hi hat stand with swivel omni pod base.

**D-850**

Pearl's D-850 drum throne is equipped with a very high quality well padded and ventilated cloth seat. It features double braced legs and memory lock height adjustment.
