2008 UPDATE

NEW PREMIER SERIES ELITE

The new Premier Series Elite is Premier's newly improved flagship range of UK built professional drums. Since its launch in 2003, the Premier Series range has established itself as one of the leading professional series of drums available.

The new Premier Series Elite is set to build upon the success of the original Premier Series by including even more options and new features to offer drummers the ultimate custom drum kit.

Premier Series Elite - Features

- Handcrafted in England.
- Choice of 3 premium quality shells:
 - 100% North American Maple.
 - 100% Finnish Birch.
 - Gen-X (Maple/Birch combination).
- Maple shells available in unsupported and supported construction.
- Birch and Gen-X shells available in unsupported construction.
- Premier's famous low profile Die-cast hoops fitted as standard.
- All new 'flush fitting' I.S.O. mounting system.
- 3mm undersized diameter shells for optimised tuning response.
- Unique Premier Series lug.
- Vintage Style Premier logo pewter badge.
- Chrome or Black Chrome finish options on all fittings.
- Remo USA drumheads.
- High-quality heavy duty Kitbag supplied with all drums.

As the ultimate custom drumset, Premier Series Elite toms are also available without I.S.O. mounts for players who prefer directly mounted shells. Steel hoops are also available for players preferring this option.

Premier Series Elite - Snare Drums

The new Premier Series Elite introduces a range of exciting new Snare Drums. Featuring a new and improved version of Premier's famous "610" throw-off, the Premier Series Elite Snare Drums also feature Premier Die-cast hoops and the distinctive Premier Series lug. Available in three sizes:-
