1/440	Snare-Drum, sound shell	5" x 14"	75.25

A single Tom-Tom-holder-combination, which belongs to the approved TRIXON accessories program. A Trixon shell mount holder with complete high and angle adjustment provides the most solid Tom-Tom mounting available.

The new Tom-Tom-holder-combination allows several individual adjustments of both Tom-Toms. Through this the ideal, allround adjustable double Tom-Tom-holder is produced.

◀ The ingenious use of the new Trixon foot pedal TF5 with double spring and several other new technical variations and completions. The Trixon pedal TF5 offers the world's best buy in bass drum pedals.

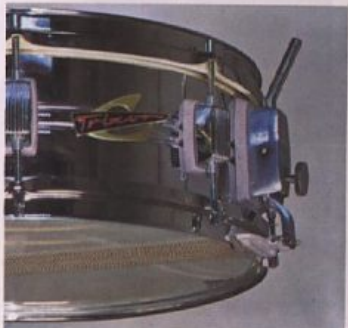

◀ TF5, the queen of the foot pedals is an evaluation of the perception and the experience of well known international drummers. Adjustable outside-springs and individual adjustment supply improvable quick response.

▶ Music desks and special equipment for studio, combo and show-orchestra. Please ask for detailed offers.

▶ The new Metal-Super-Snare-Drum. A matchless masterpiece of international peak performance for both professionals and amateurs. Perfection in sound, unsurpassed in the sound by the Snappy-Snares of 26 strands of best Swedish steel.

2 YEARS GUARANTEE

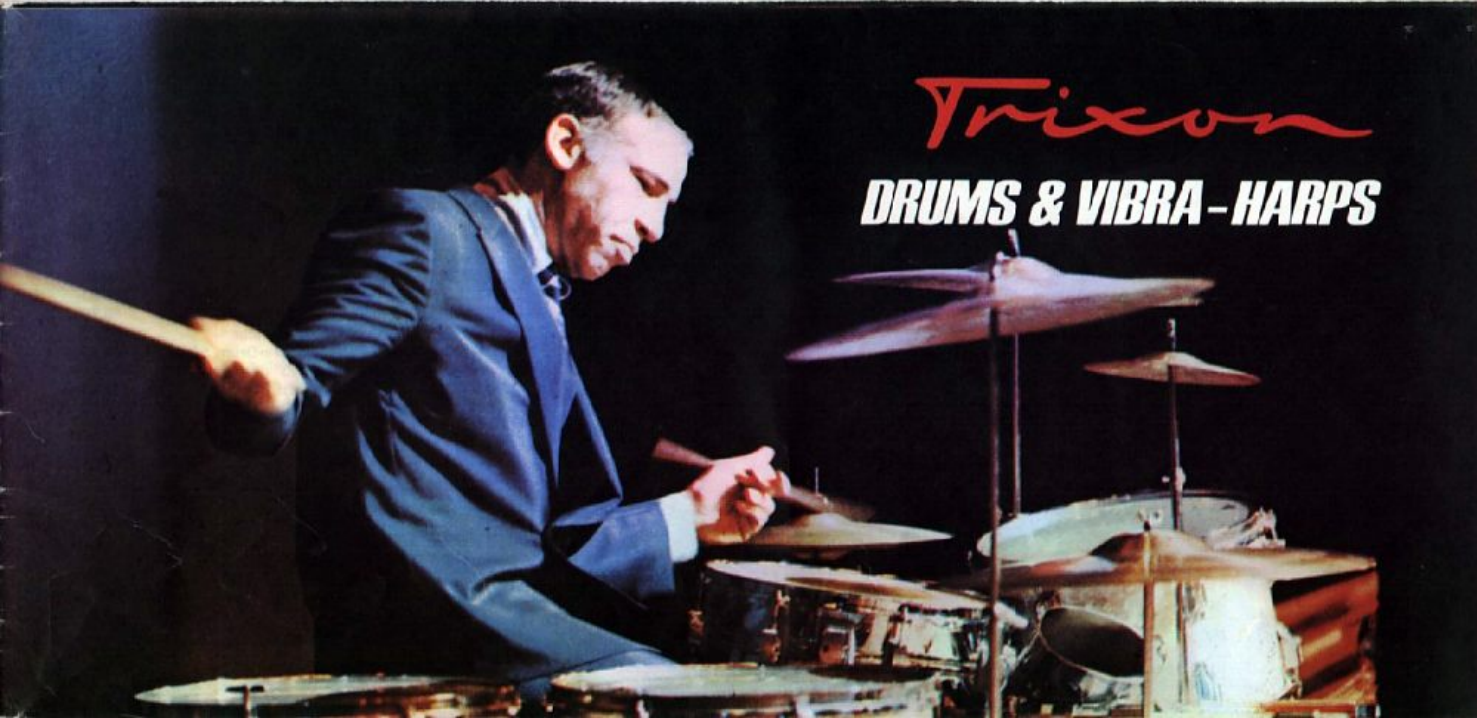

Trixon precision. Trixon maximum efficiency. Trixon 2 years guarantee. In case of faults or defects arising within 24 months Trixon will provide new spareparts free of charge. This is subject to correct and normal use and does not include defects due to rough handling.

Free parts are only supplied to the original first owner.

Replacement of the parts shall only be carried out or has to be approved by an authorized Trixon representative.

For commercially used instruments the guarantee is restricted to 1 year.

Excepted from the guarantee are drum heads, cymbals and drum sticks.
