GRETSCH PERCUSSION PRODUCTS ORDERING INFORMATION

HOW TO ORDER:

Gretsch products are sold through authorized music stores everywhere. When ordering, to eliminate errors or delays, please be sure to specify:

- ★ CORRECT CATALOG NUMBER.
- ★ COMPLETE SIZE, COLOR AND HEAD INFORMATION.
- ★ ANY SPECIAL DRILLING OR MOUNTING INSTRUCTIONS.

SPECIFICATIONS:

- 1) All drums are standard equipped with white coated Gretsch Perma-Tone heads. Clear Ambassador and Clear Black-Dot heads are available at no extra charge. Pin-Stripe heads are available at \$3.00 extra per head. Reflective gold or black heads are available upon special request, at extra cost. Ebony Ambassador heads are available at \$5.00 extra per head.
- 2) Single drum prices *DO NOT* include tom mounting brackets, internal tone controls, bass drum spurs or anchors.
- 3) Outfits are available in three variations, and designate different price levels, based on hardware and snare drum options.
 - "G" indicates price level for complete sets with all stands.
 - "L" indicates price level for drums and all tom holder(s) only.
 - "X" indicates price level for sets without snare, stands or bass drum pedal...an 'L' set without snare drum.
- 4) There is no extra mounting charge for tom brackets, holders, spurs, anchors or internal supports when specified on order using suffix letters "MT" following catalog number of accessory to be mounted.
- 5) When ordering single add-on mounted toms, specify player's set-up positioning of drum; "L" for player's left, "R" for player's right, to insure proper placement/mounting of tom bracket.
- 6) All drums are equipped with *Triple Chrome-Plated Die-Cast Hoops*, at no additional charge, both top and bottom locations.
- 7) Bass drums are equipped with matching finish wood hoops when ordering natural wood colors. Nitron finished bass drums will be equipped with Natural Maple hoops.
- 8) Snare drums with outfits are available as indicated in either wood or brass shell. Prefix "B" indicates Brass shell, "W" indicates Wood shell.
- 9) A deposit is required on all orders for non-standard finishes and mountings.
- 10) Delivery dates will be quoted only when an order has been accepted by the head office, and a formal acknowledgement has been issued.
- 11) Custom colors and patterns are available. Submit your drawings and specifications for a quotation.

DRUM FINISHES:

Gretsch drums are available in various finishes as illustrated in catalogs and below. Use the following suffix designations for wood or nitron finishes when ordering sets or single drums:

WW - Walnut **NB** - Nitron Black **NY** - Nitron Yellow **WM** - Maple (natural)
WR - Rosewood **EB** - Ebony **NW** - Nitron White

The following non-standard finishes are available upon request at an extra 10% per drum:

AM - Antique Maple **BP** - Bright Pink **CB** - Caribbean Blue
GR - Lucern Green **PR** - Purple (plum) **DKWW** - Dark Walnut
WO - Burnt Orange **RD** - Red **TWYL** - Tony Williams Yellow Lacquer
IB - Ice Blue **PB** - Grand Piano Black **PW** - Grand Piano White

(When adding on new drums, to ensure a good color match, you must return an existing drum to our factory through your authorized Gretsch dealer. We are not responsible for color matching if this procedure is not followed.)

NOTE:

Cymbals are not included with outfits.

RIMS MOUNTING SYSTEM

We now have the Resonance Isolation Mounting System (RIMS) in stock. It enhances the sound of any acoustic drum by dealing with the principles of acoustics and overtone series. By suspending the drum you are allowing its fundamental pitch to vibrate to its fullest capacity, thereby increasing the depth of drum sound and achieving a better balance of overtones in relation to the fundamental pitch.

1. Most obvious improvement is 40-70% greater resonance.
2. Greatly increased tuning range, especially low ranges.
3. Greater definition of tone and clarity.
4. Relatively distortion free sound.
5. Due to the increase of fundamental pitch, the drum sounds much larger.
6. Greater projection.
7. The scoop or gliss effect normally associated with electronic drums is more easily achieved in the acoustic drum.
8. Eliminates the need for using thicker head for the sole purpose of reducing undesirable overtones and high frequencies.
9. RIMS now available for factory installation - Another Gretsch 1st.
10. A. Also available for distribution and resale to dealers.
 B. Individually boxed upon request.
 C. A universal mounting plate accomodates all brands of tom holders. (tom brackets not included)
 D. Note on smaller toms the hole per rim may vary and must be ordered accordingly.

GRETSCH ALL HICKORY DRUM STICKS

Twelve of the most popular sizes and shapes of all-hickory drums sticks in plain and wood tip are now available from Gretsch in three distinct catagories. Each model carries the Gretsch identification, your assurance of precise consistent model selection with every pair.

GRETSCH HICKORY STICKS FEATURE

Select dense close-grain hickory used.
 Sure fitting nylon tips secure to shank with special adhesive.

Precision finished bead and butt ends.
 Medium lacquered finish provides solid grip of stick when hands become moist.

Gretsch Cannon Bass Drums

Gretsch Cannon Bass Drums are very popular with the increased awareness and trends in power shells (extended lengths). Cannon bass drums increase the depth and pitch availability, increase projection volume, and allow drummer visibility with lower tom positioning, as well as the **extraordinary** visual impact of the customized drum kit.

GRETSCH DRUMS

FIVE YEAR LIMITED WARRANTY

Gretsch drums are guaranteed against defects in materials and workmanship for a period of **5 years from the date of original purchase** through an authorized Gretsch drum dealer. All warranty repair claims and evaluations must be directed to Gretsch through an authorized dealer only. Gretsch dealers are located everywhere, however should our customer not be able to locate a servicing dealer, we will advise him of the closest dealership in your area. **DO NOT** return Gretsch products to the factory without going through a dealer that will receive a "Return Authorization" from us.

The Following Conditions And Limitations Will Apply On All Gretsch Percussion Products:

This warranty does not apply to:

- 1) Drums purchased from a source other than an authorized Gretsch dealer.
- 2) Any owner other than the original purchaser.
- 3) Any defects caused by unreasonable use, neglect, (moisture and/or temperature extremes), handling, shipping, or accidents.
- 4) Drums that have had any unauthorized alterations or modifications, or whose serial number has been altered or removed.
- 5) Natural wood finishes or normal color changes of wood or shell covering material.
- 6) Drum heads and sticks.
- 7) Incidental or consequential damages that arise as the result of or related to a defect in or failure of Gretsch products.

Government Limitation on Warranties:

This warranty gives the original owner of Gretsch products specific legal rights and he may also have other rights which vary from state to state. Provisions of this warranty are covered by the laws of the state where the original owner purchases the product(s) covered hereby. The warranty is enforceable only to the extent and in the manner permitted under the state's laws.

Our Pledge To Gretsch Customers:

You've got our word! . . . That we will stand behind our product and reputation for quality. As a Gretsch customer, you have extended your confidence in an American-made percussion musical instrument that is manufactured with you, the player, in mind.

Should a question arise concerning a warranty replacement or repair, notify your Gretsch dealer and take the product to him for inspection with the original bill of sale. If your dealer is unable to correct a warranty defect, **the Dealer** will contact Gretsch for further instructions as to the return of the product for factory inspection and evaluation.
