SHELL TYPES & FINISHES

Fiberglass

Produces the most brilliant sound of all Pearl's finishes. Great projection and response across the frequency range.

Wood/Fiberglass

The rock sound. Fuller, punchier sound, with the fiberglass adding volume and projection.

Phenolic

Totally smooth, uniform seamless shells giving a very clear, ringing tone. Unique.

Wood

The classic. Warm, full and responsive.

Maple

Pearl's jazz sound. Traditionally made shells for a traditional sound.

Colours

All finishes are available in the colours shown throughout this catalogue. To appreciate the full beauty of Pearl colours, please consult your dealer.
