

'70S FLASHBACK KREBENSPEL SOZ.

Get psychedelic. Ludwig's Psych Red outfit will alter your state of awareness. Originally introduced in the height of the '70s psychedelic era, the Psych Red drum outfit was a statement of the day's rock and roll culture—a new beat and a new sound, with a wrapped finish in a red-black-green-blue pattern. Ludwig has upgraded the Big Beat Psych Red 5-piece outfit with the latest advancements in drum technology, but maintains the original vintage styling. Which, of course, includes the vintage blue-green Ludwig badge of the psyched-out '70s. Hot vintage. New scene. Exclusive Vibra-Bands, Speed King pedal, Ludwig name. It's all that.

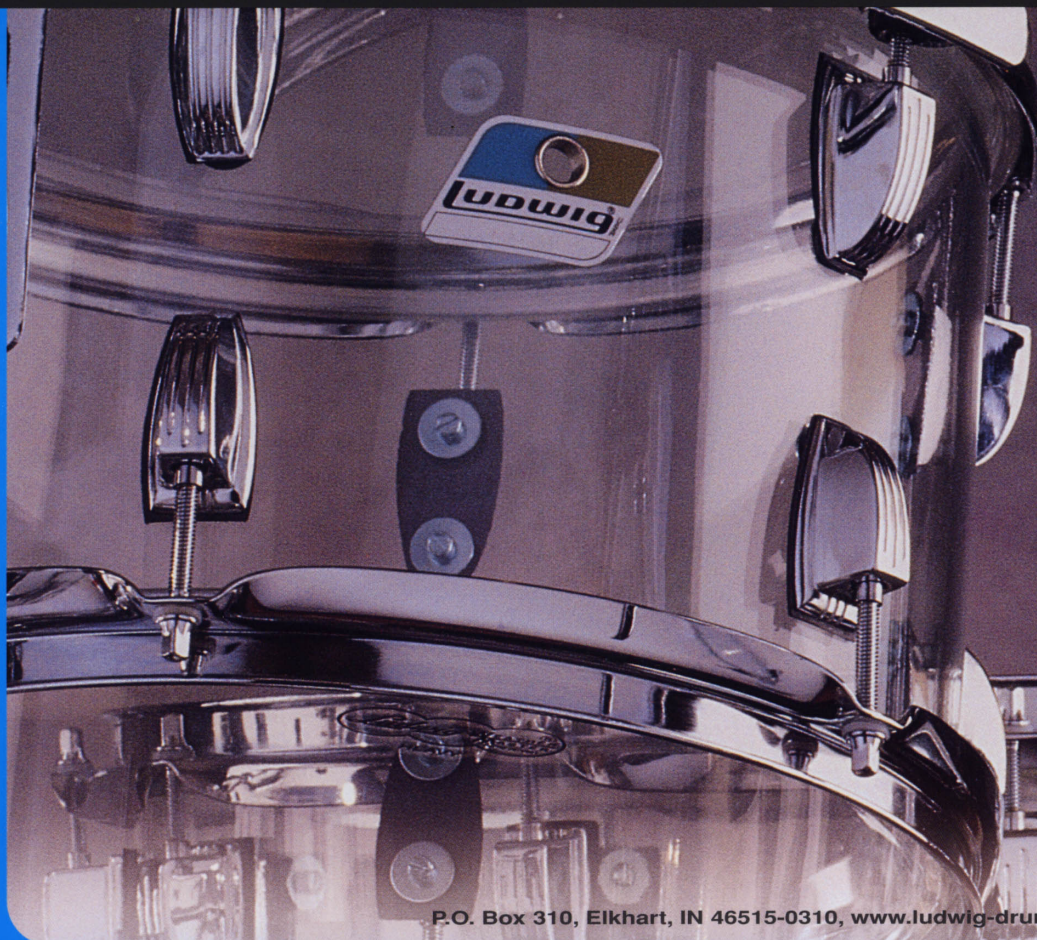

The 5-piece outfit with the Psychedelic Red red-black-green-blue wrapped finish, is standard with Vibra-Bands on toms.

Ludwig

THE LUDWIG FIVE-PIECE BIG BEAT PSYCHEDELIC RED AND SEE-THROUGH VISTALITE. IT'S NO FLASHBACK. IT'S REALITY. AND IT WILL BLOW YOUR MIND.

Transcendental. See right through the Ludwig Vistalite. The see-through phenomenon of the '70s was an era of stripping facades, and finding oneself. Ludwig at that time introduced a new drum set with transparent shells to reveal it all. Now the vintage Vistalite outfit is reintroduced with modern upgrades. The new Vistalite features Plexiglas see-through shells, Vibra-Bands on toms, Mini-Classic lugs, clear drum-heads and inlaid bass drum hoops. And, of course, its trademark '70s blue-green badge. Another Ludwig hallmark that clearly transcends time and space.
