Vistalite Drum Outfits

## The Latest See-thru Look Joins The Famous Ludwig Drum Line

It's here. . .but where? Now, the latest see-thru look joins the famous Ludwig Drum Line. So crystal clear is VISTALITE you can see the stars perform behind and beyond these gem-like outfits. And, to complete the transparent look, even the drum heads are water-clear "WeatherMaster" heads, exclusively Ludwig. Manufactured to the same exacting specifications as all Ludwig Classic Outfits, nothing has been compromised to give the new VISTALITE Line superb tone quality and tonal projection. VISTALITE outfits are available in a full range of transparent, see-thru tints. . .red, blue amber, green, and yellow. See them at your local Ludwig Dealer. But, remember, look closely! VISTALITE Drum Outfits are meant to be heard, not seen!
