THE SPOTLIGHT Follows LUDWIG DRUM OUTFITS.
CLASSIC WOOD SHELL OUTFITS.

Here’s the mellow, warm sound of wooden shell drums with the added authority of Ludwig’s superior tonal resonance. Advanced techniques in manufacturing produce a consistent pure tone. Twenty-one different finishes, solid or mixed, give you a wide-open field to “customized” appearance.

Exclusive new STAINLESS STEEL outfits steal the spotlight!

The stinging dry sound of stainless steel shatters the air for the first time. These new drum outfits command attention. They look like nothing before. Rich, lustrous polished steel, the royalty of metal. They sound sensational. A new exciting dimension of sound. A sound to influence the musicians of tomorrow... today. And they're built to give it and take it.

A shining example of Ludwig's innovative thinking and traditional craftsmanship... they're going to steal the spotlight.
